NON-CONSENT ITEMS

ITEM 4A: Mayor Nelson opened a public hearing and stated that the City of Amarillo is considering a tax rate of \$0.38851. This proposed rate will raise more taxes than last year's tax rate. The tax rate will effectively be raised by 7.33 percent. The tax on an average home last year was \$495.33. The tax on an average home would be \$537.04 under the proposed rate. Laura Storrs, Finance Director, presented the 2019 property tax information. She stated there were budget challenges, franchise fees, fines and forfeitures, culture and recreation, and health insurance increased costs. There is an increase in revenue of \$1.3 million from growth in appraised values. There are no reductions to current service levels. She stated the new rate of \$0.38851 is \$1.68/month for a \$100,000 home. This new rate funds 10 new firefighters, 3 new AAM&W positions, increased street funding and will continue funding the voter approved Propositions 1 and 2 for streets and public safety. The City's portion of a 2018 Potter County sample tax bill is 14.7% and Randall County is just over 16%. The first readings of the budget and tax rate will be September 17, and the second and final readings on September 24.

Councilmember Hays inquired about the breakdown implemented in next year's budget. Ms. Storrs replied that the breakdown was to allow \$850,000 for firefighters; \$245,000 for AAM&W; \$750,000 for additional street funding; and \$500,000 for I&S debt service on the debt issuances. Mayor Nelson said our new tax rate continues to be lower than other communities. Mayor Nelson opened the public hearing. James Schenck, 6216 Gainsborough Drive, stated the tax increase was frustrating. He said the solution has been to cut services, but he felt the need to look deep into the departments and staff. He also suggested zero based budgeting. He further stated the Civic Center bond election should be held in November 2020 and not in May 2020. There were no further comments. Mayor Nelson closed the public hearing.

Consider an ordinance rezoning a 17.69 acre tract of unplatted land in Section 183, Block 2, AB&M Survey, Randall County, Texas, plus one-half of all bounding streets, alleys, and public ways to change from Agricultural District to Multiple-Family District 1. (Vicinity: Georgia St. and Farmers Ave.)

Agenda Item Summary

Adjacent land use and zoning

The adjacent zoning consists of Agricultural District to the north and south, Residential District 3 to the east, and bounded by the City Limits line to the west.

Adjacent land uses consist of vacant land to the north and south, single family detached homes to the east, and a City sewage lift station and vacant land to the west.

Proposal

The applicant is requesting Multiple-Family District 1 zoning in order to develop the land with multi-family land uses such as apartments. Other residential uses allowed within the district include single-family detached and attached homes and duplexes.

Analysis

Staff's analysis begins with referencing the Comprehensive Plan's Future Land Use and Character Map, which identifies recommended future land uses. Additionally, staff considers what impact, if any, a proposed rezoning will have on area zoning and development patterns as well as how a particular request conforms to the Neighborhood Unit Concept of development.

Regarding the recommended Future Land Use, the recommended development type for this area is Estate Residential. Estate Residential characteristics are for single-family detached homes that provide greater open space via increased lot size and yard setbacks.

This area was annexed in 2007 and upon annexation was zoned Agricultural District. Agricultural District was established as a "place holder" zoning district until development plans could be established. Agricultural District allows for estate or rural style residential development upon one-acre lots.

Considering residential development existed to the north, similar development was anticipated within the south half of the section. As such, Estate Residential was established upon approval of the Future Land Use Map in 2010. Estate Residential matches characteristics of the "place holder" Agricultural zoning and ensures that residential development is the recommended land use for the area; all while allowing future market conditions to dictate the type and/or mix of residential product.

Since, market conditions have established a more dense residential development within the southern half of the section. This is illustrated by the area that is zoned Residential District 3 and developed accordingly. (*Residential District 3 minimum lot standards are 50ft. by 100ft. that result in a 5,000 square foot lot*).

With regards to the Neighborhood Unit Concept of development, it calls for more intensive uses such as retail, office, and/or dense multi-family development is located at or near Section Line Arterial intersections. The tract of land that the applicant is requesting to rezone is located at a Section Line Arterial Intersection in this instance (Farmers and Georgia). As such it was the Planning Commission's opinion that the request is in conformance with the Neighborhood Unit Concept of development.

Requested Action/Recommendation

Notices have been sent to property owners within 200 feet regarding this proposed rezoning. At the time of this writing, the Planning Department has received two calls regarding this request. Both call expressed no opposition to the request.

Taking all of the above into account, Planning Commissioners are of the opinion that the proposed rezoning conforms to the Neighborhood Unit Concept of Development, is a logical progression in zoning that allows further mix of residential products in the area and would not be detrimental to the area.

Therefore, the Planning and Zoning Commission recommends approval as presented.

CONSIDER APPROVAL – PROFESSIONAL SERVICES AGREEMENT WITH TURNER LANDARCHITECTURE, LLC FOR CENTER CITY TIRZ #1 WAYFINDING PROJECT:

This item awards an agreement to Turner LandArchitecture, LLC, for \$85,100 to assist with wayfinding sign design and placement in the Downtown Amarillo area.

Agenda Item Summary

Wayfinding in Downtown Amarillo has been discussed in the past with most recent activity taking place in coordination with Downtown Amarillo, Inc. in 2012 to create initial ideas and concepts. The project did not receive additional funding at the time. With increased redevelopment and investment taking place downtown, this has amplified the need for wayfinding signage. City staff and other stakeholders revisited the discussion in late 2018. This signage would not only be for motorists, but also for pedestrians to more easily navigate the area.

City staff utilized the request for qualifications (RFQ) #09-19 pre approved list for landscape architectural firms to be scored based on understanding of requirements, experience with similar types of design, familiarity with the project/project area, experience with other municipal projects, ability to meet time and budget requirements, current capacity to complete work, and references.

Turner LandArchitecture, LLC (TLA) was selected as the high scorer. The price for their contract is 85,100, which will be paid for out of Center City TIRZ #1 funding allocated for the project. The TIRZ #1 Board approved this wayfinding proposal with TLA during their August 22, 2019 board meeting.

The agreement is divided into five tasks:

Task 1: Preliminary Research: Information gathering by looking at current signage and pole locations. Run navigational exercises to determine the best locations. Hold city and stakeholder meetings to gain feedback.

Task 2: Initial Location Strategy and Design Concepts: Develop conceptual design and layout plan. Select location for signs based in task 1, for motorist and pedestrians. Review locations with TxDOT. Hold meetings with City and stakeholders to present concepts.

Task 3: Final Location Strategy and Design Concepts: Provide a summary document to the city of the sign designs and system, along with preliminary cost of the signs. Presentation of task 3 materials to City Council, City staff, and stakeholders.

Task 4: Design Intent Drawings: Produce documents suitable for a fabricator to construction and probable sign costs. Presentation of final materials to City staff and stakeholders.

Task 5: Bidding and Contract Administration: Provide general assistance to the city and the fabricator during the build and installation phase.

Requested Action

Request City Council approval of the agreement with Turner LandArchitecture, LLC.

Funding Summary

This agreement is funded through the Center City TIRZ, which has budgeted for Wayfinding. Originally \$125,000 was allocated for this project, but another \$150,000 was reallocated to this TIRZ budget item at the August 22nd, 2019 meeting. The total allocated for this project is now \$275,000.

Community Engagement Summary

Through the wayfinding process, the consultant and staff will work with relevant stakeholders. There will be meetings where interested citizens and others may attend to learn more and provide feedback.

Staff Recommendation

Staff recommends approval as presented.

SCOPE OF WORK

Scope of Services

PROJECT APPROACH

Task 1: Preliminary Research; On-Site Wayfinding Audit and Validation

TLA will conduct one or more phone conferences/meetings with the City of Amarillo (City) representatives and key stakeholders to prepare for a series of on-site activities and establish a rapport among key team members. We will also perform a thorough review of the City's web presence and brand initiatives, and explore other materials such as maps, visitors' guides, and federal, state, and county requirements. In addition, we will review any existing planning documents for the community in order to further our understanding of the history, culture, physical environment, and arterial roadways of the City.

TLA will then engage in an intensive on-site research session spending approximately two days, developing a thorough understanding of the City's desired brand position and immersing themselves in the wayfinding issues faced by residents and visitors.

Activities during this visit will include:

- *Existing conditions review* - TLA will examine the key routes and circulation patterns into the downtown district, as well as major destinations and pedestrian and bicycle routes through the community. The team will also develop a photographic inventory of representative existing conditions for use in future analysis, design work, and presentations.
- *City navigation exercises* - The team will experience the City from the viewpoints and mindsets of various users - such as holiday visitors, travelers passing on nearby highways, local residents who do not frequently visit the historic downtown, senior citizens, and the disabled.
- *Meeting(s) with the City* - TLA will conduct interviews with appropriate City staff to learn about existing in-house sign production capabilities, maintenance procedures for signage and placemaking elements, as well as any new development or capital improvement projects on the horizon.
- *Meeting(s) with City staff* - We will meet with City staff to discuss guiding principles, expectations, inclusion criteria, and schedule, as well as institutional identity and graphic standards issues, and develop a thorough understanding of the City's brand positioning efforts and objectives of the wayfinding program.
- *Meeting(s) with other stakeholders* - We will also meet with other relevant stakeholders (not included in the groups above), and will participate in a community input session organized by City staff to solicit input on its history, key destinations and locations, and any preconceptions related to the design vocabulary of the wayfinding elements.

Following these on-site exercises, we will prepare a brief summary of our findings and present it to City staff and key stakeholder representatives. This summary - and the feedback it generates - will help to ensure a proper focus for our recommended wayfinding signage concepts. We will also document these findings and analysis in a concise document that will be presented to the group in Amarillo.

Task 2: Initial Location Strategy and Design

TLA will then use the Task 1 findings in the development of preliminary signage concepts for wayfinding for the City and its historic downtown.

The preliminary signage concepts will include a conceptual design approach to meet the City's wayfinding needs. The strategy and conceptual designs will be documented using a combination of text descriptions, reference images, scaled drawings of representative wayfinding elements, preliminary location plans, and photomontages as appropriate.

This wayfinding signage documentation will address issues such as:

- The range of signage elements that will make up the overall program
- Specific strategies for effectively directing people into and through the downtown area as well as direct to other important landmarks, parking areas, historic buildings and districts, civic institutions, recreational amenities, and other major destinations within the Amarillo Downtown District.

- Aesthetic and functional approaches that will link the signage and wayfinding program to the City's brand position.
- Identification of key destinations and confirmation of the corresponding criteria for qualifying these destinations
- Preliminary locations for key signage elements
- Review preliminary locations with TxDOT for key TxDOT signage (as appropriate) ·
- Preliminary probable costs signage elements
- Other issues identified in the research and analysis process.

TLA will make a preliminary presentation of the Task 2 materials to the City staff and key stakeholders via in person & web conference. TLA will then revise the materials based on input from this meeting and present the revised concepts in Amarillo to the City staff, the City Manager, and key stakeholders, and community groups, as appropriate.

Task 3: Final Location Strategy and Selected Design Concepts

Following approval of a conceptual design and placement of key signage elements (including TxDOT signage), TLA will prepare final design documentation of the sign type family that will make up the wayfinding program.

The consolidated document will include:

- Color palettes
- Typography
- Materials and finishes
- Sizes and forms for wayfinding signage elements ·
- Styles for orientation maps (not actual artwork) ·
- Information hierarchy
 - Inclusion criteria for destinations
- Destination nomenclature
- Elevations
- Side views
- Location plans for the wayfinding signage
- Message schedule for the wayfinding signage
- Preliminary probable costs for the wayfinding signage
- Recommendations regarding project implementation phasing (if required)

While the exact nature of elements that will be included in the overall wayfinding signage program will be determined during the planning process, it is likely to consist of some combination of the following:

- TxDOT trailblazer signage
- Modifications/enhancements to existing signage elements (if appropriate) ·
- Gateway identification elements (if appropriate)
- Vehicular directional signage
- System for the display of seasonal or event-specific pageantry
 - *Actual banner designs are not included in this scope*
- Pedestrian directional signage
 - *Including basic orientation maps, as appropriate (style references; not actual artwork)*
- Pedestrian information kiosks
- District identification signage
- Parking identification signage

TLA will make one preliminary presentation of the Task 3 materials to the City staff and key stakeholders via in person/web conference. TLA will then revise the materials based on input from this meeting and present the revised concepts in Amarillo to the City Council, the City staff, the City Manager, and key stakeholders, and community groups, as appropriate.

Task 4: Design Intent Drawings

Utilizing the approved Task 3 materials, TLA will prepare documentation suitable for use in the solicitation of fabrication and installation bids from signage fabricators, and for use by the selected fabricator in the development of shop drawings.

This documentation may include:

- Dimensioned elevations
- Dimensioned sections
- Dimensioned details
- Project specifications
- Final signage location plans
- Final message schedule
- Electronic versions of graphic elements required for signage fabrication, such as custom symbols, background patterns, etc.
- Bid Forms
- Probable costs for the wayfinding signage

TLA will make one preliminary presentation of the Task 4 materials to the City staff, the CDC, and key stakeholders via in person/web conference, and will then make any necessary revisions before presenting the final materials to the City staff, the CDC, the City Manager and key stakeholders.

Task 5: Bidding and Contract Administration

TLA will provide the following services during fabrication and installation of the signage elements:

- Provide the City with specifications and scope of work for the City to conduct the bid process
- Issue clarification drawings and respond to requests for information, as required
- Assist client with the evaluation of bids, including the evaluation of any signage contractor (further referred to as "contractor")-suggested savings
- Provide appropriate electronic artwork files for use by the selected contractor in generating shop drawings and submittals
- Review contractor's submittals and shop drawings for adherence to design intent
- Review material samples and options provided by contractor
- Review mock-ups, as appropriate, to assess anticipated quality of fabrication, finishes, etc.
- Perform pre-installation visit to the site to review final locations for installation with the owner and contractor
- Perform post-installation visit to the site to prepare written punch report identifying any repairs or adjustments to be addressed, or acceptance of the work
- Perform a final walk through to confirm that the final punch list items have been resolved

During signage fabrication, TLA will observe the progress and quality of the work performed by the contractor. Such observation is not intended to be an exhaustive check or detailed inspection of the contractor's work but rather to allow TLA to determine that the work is proceeding in general accordance with the documentation.

TLA will not supervise, direct, or otherwise control the contractor's work nor have any responsibility for the means, methods, techniques, or procedures employed by the contractor, nor for their safety precautions or programs. These rights and responsibilities are solely those of the contractor.

TLA will not be responsible for any acts or omissions of the contractor, their subcontractors, or any other entity performing any portion of the work. TLA does not guarantee the performance of the contractor and shall not be responsible for any contractor's failure to perform the work in accordance with the documentation or any applicable laws, codes, rules, or regulations.

The Leased Premises consists of approximately 890,192 square feet of combined building, paved, and land area.

Section 1.2 Lessee covenants that it will use its best efforts to prevent the general public (other than employees, customers, and visitors of the Lessee while conducting business at the Leased Premises) from parking automobiles on the Leased Premises, and in no event shall the Lessee operate a public automobile parking facility and/or charge for automobile parking (other than charging its employees, customers, and visitors of the Lessee while conducting business at the Leased Premises) on the Leased Premises. The Lessee shall use, and shall permit others to use, automobile parking spaces on the Leased Premises solely for the parking of automobiles of persons employed by businesses operating on or patronizing the Lessee's business.

SECTION 2 - TERM

Section 2.1 Lessee shall have and hold said Leased Premises for a period of five (5) years, commencing at 12:01 a.m. local time on September 26, 2019, and ending on the 25th day of September 2024, at 11:59 p.m. local time ("Initial Term").

Section 2.2 At the end of the Initial Term or any renewal term, or upon termination for any reason, the Lessee shall, within forty-five (45) days after the date of termination, remove itself and all personal possessions, excluding fixtures and other permanent improvements, and vacate the Leased Premises.

Section 2.3. Lessee shall have three (3), five (5)-year renewal options to renew all or any portion of the Leased Premises. A renewal term shall be exercised by written notification to the City no later than six (6) months prior to the expiration of the then-current term. These renewal options shall be subject to Lessee being current on all payments to the City required by this agreement.

SECTION 3 - MINIMUM STANDARDS; USES REQUIRED AND PERMITTED

Section 3. 1 For the conduct of its business on the Airport, the Lessee covenants that it is at the time of execution of this Agreement, and will be throughout the duration of this Agreement, in compliance with the "Minimum Standards for Commercial Aeronautical Activities at the Rick Husband Amarillo International Airport" (the "Minimum Standards") as amended or modified from time to time and as approved by the City of Amarillo. The Minimum Standards are hereby made part of this agreement and incorporated herein by reference and a copy of the Minimum Standards may be obtained at the Airport Administration Offices. The Lessee agrees to comply with the provisions

of amendments to the Minimum Standards as may be enacted by the City from time to time during the term of this Agreement.

Section 3.2 Lessee is hereby designated as an “Other Commercial Activities Operator” for purposes of applicability to the Minimum Aeronautical Standards established by the City of Amarillo, and as such is authorized to engage in the full range of aeronautical duties and furnish the full range of aeronautical services approved under this category of operator.

~~Section 3.3 All requests by Lessee to provide other services and activities not provided for~~ in the Minimum Standards shall be submitted to the City in writing with a clear and concise description of the proposed service accompanied by the appropriate exhibits. Approval or rejection of any such proposal made to the City will be made by the City in writing.

Section 3.4 Nothing herein shall limit, restrict, or take away the Lessee's right to enter into an agreement to do business with any manufacturer, distributor, wholesaler or retailer, service representative, supplier, or other agent of their choice, except as may be specifically stated herein.

SECTION 4 - RENTALS, FEES, AND CHARGES

Section 4.1 Lessee shall pay to the City as rentals, fees, and charges for the Leased Premises the following:

a. For the first year of this Initial Term, the rental amount shall be \$37,000 per month. For years 2 through 5 of the Initial Term, the rental amount shall increase by 3% each year, on the anniversary date of this agreement. Rental amounts for any renewal term will be negotiated upon the exercise of the renewal term by Lessee. Said rental amounts shall be individual lump sum payments, payable monthly in advance, on or before the first business day of each calendar month of the term.

Section 4.2 Any payment not delivered to the City when due shall be subject to a late payment charge of one and one-half percent (1 1/2%) per month until paid, or the maximum amount allowed by law, whichever is less.

Section 4.3 Lessee shall provide Lessor a list of all landed aircraft serviced by Lessee during the previous calendar month. This list should include the aircraft tail #, exact aircraft type, date of landing at the Airport, landed weight of the aircraft (if available), and the aircraft owner name, address, and contact information.

Section 4.4 Lessee shall pay the City for any and all security badging and credentialing in accordance with the City's then current standard charges at the time of incurring the charge. If Lessee

shall cause extensive rebadging of its employees due to non-compliance with the rules and regulations of TSR 1542 or the Airport's approved Security Program, the City shall charge a 15% administrative fee in addition to the standard charges for the badging or credentialing.

SECTION 5 - IMPROVEMENTS

Section 5.1 No improvements shall be made on the Leased Premises by Lessee without the written consent of the City. All such improvements shall comply with the then current safety regulations, building codes, fire regulations, and applicable laws and ordinances of the United States, the State of Texas, and the City of Amarillo. All such improvements shall be pursued to completion once initiated with the exercise of all due diligence and attention and without undue delay.

Section 5.2 Notwithstanding anything to the contrary contained in this agreement, no improvements currently existing on or in the Leased Premises on the effective date of this agreement will be required to be removed by Lessee at the end of this agreement's term or any optional renewal term.

Section 5.3 Lessee covenants and agrees that it will make capital improvements to the Leased Premises in accordance with its capital improvement schedule, attached hereto.

Section 5.4 Lessee understands and agrees that no liens, including but not limited to mechanic's or material men's liens, will be tolerated on City property, and Lessee agrees to remove any such lien(s) immediately, either by payment or bonding it off.

Section 5.5 All improvements made by the Lessee to the Leased Premises shall be in accordance with the Federal Aviation Administration-approved Airport Master Plan, as applicable and as it may be amended from time to time, unless prior written approval to do otherwise is granted by the City. All improvements made by the Lessee to the Leased Premises shall be subject to the prior architectural, engineering, and contractor approval of the City. Performance and Payment Bonds in amounts commensurate with the cost of the improvements may be required by the City to be posted by the Contractor in connection with all improvements to the Leased Premises made by the Lessee, at the City's discretion.

SECTION 6 - RIGHTS OF TERMINATION

Section 6.1 Except as otherwise set forth herein, upon any failure of performance of the terms

of this Agreement by Lessee, or in the event of flagrant or repeated violations by Lessee's officers, agents, or employees, of the Airport Rules and Regulations, which Rules and Regulations are incorporated herein by reference, the Minimum Aeronautical Standards, City of Amarillo Ordinances that are applicable to Lessee's operations at the Rick Husband Amarillo International Airport, or any other written mandate approved by the City Council of the City of Amarillo, the City may elect to treat such failure or violation as a breach of this Agreement and may cancel and terminate this Agreement by giving written notice to Lessee. Upon receipt of such notice, Lessee shall have a period of thirty (30) days thereafter within which to remedy such breach, provided that, in the event the breach cannot be remedied within such period, the Lessee must nevertheless, within such period, initiate the remedy and diligently and continuously prosecute its completion. Should Lessee fail to remedy such breach or initiate the remedy within the prescribed thirty (30) days, this Agreement shall be considered terminated immediately and without further notice to Lessee. The City may, at its sole discretion, extend the time for remedy of the breach for such additional time as it deems necessary to correct same. Such extension shall be on a case-by-case basis.

Section 6.2 In addition to the right of the City to terminate the Agreement as set forth in Section 6.1 above, the City shall have the right to terminate this Agreement immediately upon the occurrence of any one or more of the following circumstances, which termination shall be accompanied by written notice to Lessee setting forth the effective date of termination:

a. In the event that there is any default in payment by the Lessee of rentals, fees, and charges due to the City under this Agreement and such default continues for ten (10) days following written notice by the City to the Lessee of sums due, owing, and unpaid, which payment is not contested by Lessee within ten (10) days following the written notice of default.

b. Upon receipt by City of notice of cancellation of Lessee's insurance, or upon receipt of notice of reduction of Lessee's insurance below the limits required herein, Lessee shall be required to cease all operations immediately, and shall have a period of thirty (30) days within which to replace said insurance or restore it to the required limits; and Lessee's failure to do so within said period shall constitute grounds for termination.

c. Upon receipt of notice of the filing of voluntary petition of bankruptcy by Lessee; adjudication of Lessee as bankrupt; the filing of any involuntary petition of bankruptcy against Lessee and failure of Lessee to have the same dismissed within a reasonable time; appointment of receiver of Lessee's assets; the making of a general assignment for the benefit of creditors; the filing of a petition or answer seeking an arrangement for the reorganization of Lessee under any Federal

Reorganization Act, including petitions and answers under the Federal Bankruptcy Act; the occurrence of any act which operates to deprive the Lessee permanently of the rights, powers, and privileges necessary for the proper conduct and operation of the privileges granted herein; or, the levy of any attachment or execution which substantially interferes with Lessee's operation under this Agreement and which attachment or execution is not vacated, dismissed, stayed, or set aside within a period of sixty (60) days.

d. Upon the voluntary abandonment, vacating, or discontinuance of Lessee's operations on the Leased Premises for more than seventy-two (72) consecutive hours, unless such abandonment, vacating, or discontinuance is caused by national emergency, order of a governmental authority, Act of God, or similar causes not within the Lessee's control.

e. Issuance by any Court of competent jurisdiction of any injunction substantially restricting the Lessee's activities and the continuation of the injunction, whether permanent or temporary, for a period of thirty (30) days.

Section 6.3 The City shall have the right to terminate this Agreement as to all, or any portion, of the Leased Premises needed for approved Airport expansion provided the City gives three hundred and sixty five (365) days advance written notice to Lessee of the need to reclaim all or a portion of the Leased Premises for approved airport expansion, and purchases from the Lessee the unamortized portion of any improvements on any reclaimed property. City agrees in such event to make a reasonable effort to offer Lessee, from any other Airport area designated or suitable for use by an aircraft painting operator, an alternative site with similar operating area, with access to ramp and other airport facilities, and upon lease terms reasonably related to the extent of relocation of Lessee's operations which may be required of Lessee.

Section 6.4 Lessee shall have the right to terminate this agreement at any time during its term after the occurrence of any one or more of the following circumstances, which termination shall be accomplished by written notice to the City setting forth the effective date of termination;

a. The City commits any act or acts preventing the Lessee from conducting reasonable normal business activities and operations for a period of more than thirty (30) days.

b. The interruption of the normal business activities of Lessee or its operations for a period of more than thirty (30) days due to civil strife and commotion, acts of military power, damage to the runways making them unusable, or issuance of Court Order restraining the use of the Airport.

SECTION 7 - INSURANCE

Section 7.1 At all times during the term of this Agreement or any agreed upon extended term hereof, Lessee shall maintain in force a policy or policies of insurance issued by a company or companies duly authorized to do business in the State of Texas and with a Best Rating of B+ or better, insuring the Leased Premises and any additional premises necessary or incidental to Lessee's operations with the following coverages:

- a. Commercial General Liability Insurance with a minimum bodily injury and property damages per occurrence limit of \$10,000,000.00 for coverage of bodily injury and property damage; personal and advertising injury; and products/completed operations. Additionally, the policy shall contain Independent Contractor Coverage, Ground Hangarkeepers liability, blanket contractual liability coverage for liability assumed under the Lease, and medical expense coverage of \$5,000.00 any one person.
- b. Business Automobile Liability Insurance for all owned, non-owned, and hired vehicles with a combined single limit of \$1,000,000.00 for bodily injury and property damage.
- c. Aircraft Liability Insurance for all non-owned aircraft with a minimum property damage per occurrence limit of \$10,000,000.00.
- d. Workers' Compensation and Employers Liability coverage with limits consistent with the Texas Workers' Compensation Act and minimum policy limits for Employers Liability of \$1,000,000.00.

These limits may be changed from time to time by the City.

Section 7.2 The City, its council, officers, and employees shall be named as additional insureds for commercial general liability and business automobile liability; certificates evidencing such coverage shall be provided to the City. The workers' compensation and employer's liability must contain a waiver of subrogation in favor of the City. All policies shall be endorsed to provide for notice by the company to the City in writing at least thirty (30) days prior to the amendment, cancellation, or termination of any policy or policies of insurance provided by the Lessee pursuant to the terms of this Agreement.

Section 7.3 Lessor, at Lessee's expense, shall procure insurance on all hangars and buildings, except non-permanent improvements and betterments made by Lessee, insuring them against fire, windstorm, and other damaging perils including extended coverage in an amount sufficient to cover the replacement value of the hangars, buildings, and facilities. It is specifically acknowledged and

agreed by Lessor and Lessee that Lessee shall reimburse Lessor annually for all of the cost of the fire, windstorm, and extended coverage insurance within thirty (30) days of being invoiced therefore by Lessor. Additionally, Lessee acknowledges and agrees that Lessee shall be responsible for payment of any deductible amount relative to the fire, windstorm, or extended coverage insurance in any case of damage to or destruction of the insured hangars, buildings, and facilities before Lessor shall have any obligation to replace any damaged or destroyed hangar, building, facility, or portion thereof utilizing the said insurance. ~~Lessee acknowledges and hereby agrees that Lessor is not Lessee's~~ insurer and that Lessee shall take whatever action is necessary, at Lessee's own expense, to protect its interests and property from damage or destruction.

SECTION 8 - INDEMNITY

Section 8.1 Lessee shall protect, defend, indemnify, and hold harmless the City and its Council, officers, and employees from and against any and all liabilities, losses, suits, claims, judgments, fines, or demands arising by reason of injury or death of any person or damage to any property, including all reasonable costs for investigation and defense thereof (including but not limited to attorney fees, court costs, interest, and expert fees), of any nature whatsoever arising out of or incident to this Agreement and/or the use or occupancy of the Leased Premises, or out of the acts or omissions of Lessee's officers, agents, employees, subtenants, contractors, subcontractors, licensees, or invitees, regardless of where the injury, death, or damage may occur, unless such injury, death, or damage is caused predominately by the negligence of the agents, servants, or employees of the City. The City shall give to Lessee prompt and timely notice of any such claim or action. The City shall be entitled to choose counsel to represent it, at Lessee's expense, in connection with the matters covered by the provisions of this Section and said provisions shall survive the expiration or early termination of this Agreement.

Section 8.2 Lessee agrees to insure the above contractual obligation to City. Lessee and its insurer, or either of them, shall have the right to compromise and defend all claims, actions, suits, or proceedings to the extent of the Lessee's interest therein; and in connection therewith, the parties hereto agree to cooperate fully with each other and with Lessee's insurer in the defense thereof.

Section 8.3 It is expressly understood and agreed that Lessee and its contracting parties are, and shall remain, independent contractors and operators, responsible to all parties for their acts or omissions, for which the City shall in no way be responsible.

Section 8.4 The rights and indemnification under this Agreement are, in addition to all other rights and remedies of the City hereunder and available, at law or in equity. The indemnification provisions herein shall survive the expiration or earlier termination of this Agreement.

SECTION 9 - FAIR AND EQUITABLE TREATMENT

Section 9.1 It is understood and agreed that the rights, privileges, and licenses granted herein to Lessee shall not be exclusive, but the City, at its option, may also grant similar rights, privileges, and licenses, and may lease other space to one or more additional lessees and licensees; however, such additional leases or licenses shall not be for rentals, fees, or on terms and conditions more favorable than those imposed upon Lessee herein.

SECTION 10 - SIGNS

Section 10.1 The Lessee shall have the right to install, paint, place, display, exhibit, or otherwise locate signs and other advertisements promoting its name and the brands of products and services that it offers for sale at such locations upon the Leased Premises or any improvements thereon as it may choose; provided, however, that such installation is in compliance with the City's Sign Ordinance, and that the Lessee has applied for and received prior written approval by the City for such signs and their locations.

Section 10.2 The City hereby acknowledges its approval of all such signs presently in place on the Leased Premises.

SECTION 11 - MAINTENANCE

Section 11.1 Lessee, at its sole cost and expense, shall maintain the Leased Premises, including any installed utility or specialized mechanical/electrical systems, and the improvements and appurtenances thereto at all times in a safe and neat condition, free of unsightly conditions and in good physical repair consistent with good business practice. Lessee shall repair all damage to the Leased Premises caused by its employees, subtenants, licensees, or visitors or arising out of its operation thereon; it shall maintain and repair all equipment thereon, including any drainage installations, paving, curbs, islands, and improvements; and it shall maintain and repair such buildings

and facilities as shall be necessary from time to time. Lessee shall have responsibility for removal of snow, ice, and debris from the Leased Premises.

Section 11.2 The City, in its discretion, which shall be reasonably exercised, shall be the judge of the quality of maintenance. Upon written notice by the City to Lessee, Lessee shall be required to perform reasonable maintenance that the City deems necessary. If such maintenance or reasonable steps to undertake such maintenance are not commenced by Lessee within ten (10) days after receipt of such written notice, the City shall have the right to enter upon the Leased Premises and perform the necessary maintenance, the cost of which, including a 15% administrative charge, shall be borne by Lessee. Payment for such work performed by the City shall be made by Lessee within thirty (30) days after receipt of billing by the City for the same.

Section 11.3 The Lessee shall provide proper and adequate container-enclosed storage for all garbage, trash, debris, junk, rags and other items within the Leased Premises awaiting collection and disposal and shall be solely responsible for arranging for and paying the cost of collection and disposal of the same.

SECTION 12 - TAXES AND LICENSES

Section 12.1 Lessee shall pay all license fees, permit fees, and/or any and all taxes necessary or required by law in connection with its occupancy of the Leased Premises or the operation of its business thereon. In the event that by legislative enactment, judicial action, or administrative decision the City or Lessee shall be determined to be liable for any real estate taxes, charges in lieu of taxes, or use charge assessed against the Leased Premises or improvements thereon, or any excise or tax on the activities or operations conducted on the premises, Lessee shall pay the same in the manner provided and shall reimburse the City for any such taxes, charges, or excises that the City may be required to pay.

Section 12.2 Lessee shall have the right, either in its own name or in the name of the City, to contest or litigate, in the appropriate tribunal or tribunals, the validity of such assessment or the amount thereof at the expense of the Lessee. Lessee shall indemnify and hold harmless City against any loss or damage arising from Lessee's contest of said assessment or its failure to pay the same pending final adjudication of the validity of the assessment and/or the amount thereof by Court or other tribunal of competent jurisdiction.

Section 12.3 As in the above section, the phrase "charge in lieu of taxes" shall not include any

charges in lieu of taxes voluntarily assumed by the Lessee or City. Such charges voluntarily assumed shall be the obligation of the Lessee or City, as the case may be, voluntarily assuming obligation for the same.

SECTION 13 - UTILITES

Section 13.1 Lessee shall pay for all utilities and charges for its business and operations on the Leased Premises. For purposes of this section, utilities refer to electricity, water, natural gas, radio communications, sewer, telephone, any and all data communications, and the transmission or provision of any type of commodity or service for which a fixed method of transmission, such as a pipe, wire, or cable, is used.

SECTION 14 - LAWS AND REGULATIONS

Section 14.1 Lessee agrees to observe, obey, and abide by all applicable current and future federal, state, and local applicable laws, ordinances, rules, and regulations including, but not limited to all applicable Airport and airfield rules and regulations for the common and joint use of the Airport facility and all applicable rules and regulations promulgated by the Federal Aviation Administration, the Transportation Security Administration, or any other governmental agency having jurisdiction over the subject matter.

Section 14.2 Any fines incurred as a result of violations by the Lessee or its employees, or the failure by the Lessee or its employees to fulfill its obligations with respect to airport security measures adopted by the Airport in the form of the Airport Security Program under TSR 1542 (as amended from time to time) and/or any directive from the Federal Aviation Administration, within its assigned area or responsibility, shall be the sole responsibility of the Lessee, once all appeals procedures reasonably agreed to by the parties have been exhausted. In any case where the Lessee desires to have an appeal pursued at the Lessee's expense, the City agrees to cooperate fully in such appeal, provided the Lessee pays all reasonable expenses of the City related to such appeal.

SECTION 15 - FIRE SAFETY AND SECURITY

Section 15.1 Lessee shall at all times comply with all applicable laws, ordinances, and regulations pertaining to fire prevention and protection, and shall furnish and maintain adequate fire extinguishers in sufficient numbers and in convenient and accessible places upon the Leased Premises; said fire extinguishers to be charged and ready for immediate use as required by said fire regulations and applicable laws and ordinances. Lessee shall abide by all applicable NFPA guidelines related to fire prevention and protection.

Section 15.2 Lessee acknowledges that although the City maintains certain fire-fighting capabilities as required for its operation of the Airport, maintains a police and/or security force for the protection of the public, and provides the security required by the Transportation Security Administration and other governmental agencies, and that while the same may be available for emergencies of the Lessee from time to time, the City is under no obligation to provide police or fire protection to the Lessee other than what might be expected from any other commercial entity at an off-airport location.

SECTION 16 - EASEMENTS

Section 16.1 The Leased Premises are accepted by Lessee subject to any and all existing easements or other encumbrances. The City reserves the right to establish, grant, or utilize easements or rights-of-way over, under, along, and across the Leased Premises for utilities, pipelines, drains, or access as it may deem advisable for the public good; provided, however, that the City agrees to exercise such rights in a manner that will not unreasonably interfere with Lessee's use of the Leased Premises.

SECTION 17 - ACCESS BY TITLE AUTHORITY

Section 17.1 The City shall have the right to enter the Leased Premises during normal business hours on reasonable notice, and at any time in the event of an emergency, to inspect the Leased Premises, and for any lawful purpose, provided that such entry by the City shall not unreasonably interfere with Lessee's conduct of its business.

SECTION 18 - HOLDING OVER

Section 18.1 Should Lessee remain in possession of Leased Premises after the expiration of the term of the Agreement without having executed a new lease, such holding over shall be construed as a tenancy from month to month, subject to all conditions, provisions, and obligations of this Agreement applicable to a month-to-month tenancy, and subject to applicable federal, state, and local laws.

SECTION 19 - NON-DISCRIMINATION

Section 19.1 Lessee, in the use of the Leased Premises, and in the services offered hereunder, will not discriminate against any employee or applicant for employment because of race, color, national origin, sex, or religion. The parties will take affirmative action to ensure that applicants are employed without regard to their race, color, national origin, sex, or religion. Such action shall include but not be limited to the following: Employment, Referral for Employment, Upgrading, Demotion or Transfer, Recruitment or Recruitment Advertising, Lay-off or Terminations, Rates of Pay or Other Forms of Compensation, and Selection for Training including Apprenticeship. The parties agree to post, in conspicuous places available to employees and applicants for employment, notices setting forth the provisions of this Section 19.

Section 19.2 The Lessee, for itself, successors in interest, and assigns, as a part of consideration hereof, does hereby covenant and agree as a covenant running with the land:

a. That no person, on the grounds of race, color, national origin, sex, or religion, shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination in the use of Lessee's facilities;

b. That in the construction of any improvements on, over or under the Leased Premises and the furnishing of services thereon, that no person on the grounds of race, color, national origin, sex, or religion shall be excluded from participation therein, denied the benefits thereof, or otherwise be subject to discrimination;

c. That the Lessee shall use the premises in compliance with all other requirements imposed pursuant to Title 49, Code of Federal Regulation, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Non-discrimination in federally-assisted programs of the Department of Transportation - Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations

may be amended.

Section 19.3 In the event of such breach of any of the above non-discrimination covenants, the City shall have the right to terminate this Agreement and to re-enter and repossess the Leased Premises and hold the same as if this Agreement had never been issued. This provision shall not be effective until the procedures of Title 49, code of Federal Regulations, Part 21, are followed and completed including exercise of expiration or appeal rights.

SECTION 20 – ANTI-HUMAN TRAFFICKING

Section 20.1 The Rick Husband Amarillo International Airport condemns all forms of human trafficking including the commercial sexual exploitation of children. The Airport believes that the protection of children from sexual exploitation is a moral imperative and socially responsible business policies and practices must reflect this principle. The Airport will strictly comply with all applicable laws and regulations regarding the prevention of human trafficking and the commercial sexual exploitation of children, including the prevention of the use of its premises for such exploitation. The Airport will train our staff to ensure they know how to respond to suspected exploitation in the course of their work. We ask our on-airport tenants and partners to do the same.

SECTION 21 - ASSIGNMENT

Section 21.1 The Lessee shall neither directly nor indirectly give, assign, encumber, transfer, or grant control of this Agreement or any interest herein, or right or privilege granted hereunder, or sublet the whole or any portion of the Leased Premises, or license the use of the same in whole or in part, without the prior written consent of the City, which consent shall not be unreasonably withheld. In addition, any sublease, license, or assignment of property or rights to a commercial operator (as defined in the Minimum Standards) for the purpose of generating revenues from operations on the Airport shall require the approval of the City, and any other subleases or assignments shall require the approval of the City.

Section 21.2 Any request for consent or approval must be in writing. Requests related to commercial operators must be accompanied by an agreement signed by the proposed assignee, sublessee, or licensee of the Lessee, providing for payment to the City by such party as provided in the Minimum Standards.

Section 21.3 Any breach of any provision of this Section shall give the City the right to terminate this Agreement immediately. Any transfer of this Agreement from Lessee by merger, consolidation, or litigation shall constitute an assignment for the purposes of this Agreement. Upon any termination of this Agreement, the City shall have the right, at its election to terminate any sublease in effect without the consent of the sub lessee concerned, or any license agreement without the consent of the licensee concerned. However, the City reserves the right to assume all subleases of Lessee to avoid interruption of subtenant/sub lessee operations.

Section 21.4 No assignment or subletting shall relieve the Lessee from its responsibilities to pay rents, fees, and charges assumed under the provisions of this Agreement, and the Lessee shall remain primarily liable therefore.

Section 21.5 Any assignee, sub lessee, or licensee of the Lessee approved by the City in writing will be subject to the same Minimum Standards applicable to the Lessee.

Section 21.6 The City recognizes that Lessee may have a need to request consent to assign its leasehold estate as security for financing for its business operations, and the City agrees that it will cooperate with Lessee and the financial institution chosen by it in the drafting of suitable documents for that purpose, and that its consent to such assignment will not be unreasonably withheld.

Section 21.7 Any sale of a majority of the stock of Lessee shall be considered an assignment under this Section 21 and shall be governed by the terms hereof.

Section 21.8 The City shall be entitled to recover, from Lessee, reasonable attorney's fees or other expenses incurred by the City in connection with any proposed assignment of this Agreement, and Lessee shall pay such costs and expenses immediately and directly to the City upon execution of the documents necessary to conclude the transaction.

SECTION 22 - GENERAL COVENANTS AND CONDITIONS

Section 22.1 The City covenants that it shall continue to operate the Airport as a public facility for the use and benefit of the general public throughout the term of this Agreement, consistent with applicable government regulations and subject only to circumstances that are unknown at the time of execution of this Agreement and beyond the control of the City.

Section 22.2 The laws of the State of Texas shall govern disputes arising out of, or due to the execution of the terms or conditions of this Agreement. The parties each, individually and collectively, submit to the jurisdiction of the state courts of Potter County, Texas, and the federal court of the

Northern District of Texas.

Section 22.3 The Lessee covenants that it shall furnish and supply services to all users of the Airport on a fair, equal, and not unjustly discriminatory basis and shall charge fair, reasonable, and not unjustly discriminatory prices for each unit of service rendered. Agenda Item Summary
An assessment against each parcel of property in the Heritage Hills Public Improvement District (PID), determined by multiplying a cost value per square foot of lot area, must be approved on an annual basis. A service plan covering a period of at least five years must also be reviewed and approved. This plan defines the annual indebtedness and projected costs for improvements as well as maintenance of improvements within the Heritage Hills PID. Attached is the Heritage Hills Public Improvement District Fiscal Year 2019/20 budget, service plan, and associated ordinance and exhibit.

Public hearing to consider an ordinance to levy an assessment on property within the Town Square Public Improvement District.

Agenda Item Summary

An assessment against each parcel of property in the Town Square Public Improvement District (PID), determined by multiplying a cost value per square foot of lot area, must be approved on an annual basis. The Town Square PID Advisory Board met August 19, 2019 to review the proposed FY 2019/20 budget and service plan. The Town Square PID budget projects total maintenance and operation expenses for FY 2019/20 to be \$83,113. The Board recommends property owner assessment rates remain at \$0.1111 per square foot. This will result in assessments totaling \$166,164. This decision was made in order to cover all operating costs as well as build up an operating reserve.

A service plan covering a period of at least five years must also be reviewed and approved. This plan defines the annual indebtedness and projected costs for improvements as well as maintenance of improvements within the Town Square PID. Attached is the Town Square Public Improvement District Fiscal Year 2019/20 budget, service plan, and associated ordinance and exhibit.

Public hearing to consider an ordinance to levy an assessment on property within the Point West Public Improvement District.

Agenda Item Summary

An assessment against each parcel of property in the Point West Public Improvement District (PID), which is allocated based on the percentage of total square footage owned within the PID, must be approved on an annual basis. The Point West PID Advisory Board met on May 21, 2019 to review the proposed FY 2019/20 budget and service plan. The Point West PID budget projects total maintenance and operation expenses for FY 2018/19 to be \$26,068. The Board believes that last year's assessment rate is adequate and recommends no assessment increase for the 2019/20 budget and service plan. As mentioned above, the current assessment level remains adequate for all expenses and operating reserve and totals \$52,000.

A service plan covering a period of at least five years must also be reviewed and approved. This plan defines the annual indebtedness and projected costs for improvements as well as maintenance of improvements within the Point West PID. Public hearing to consider an ordinance to levy an assessment on property within the Vineyards Public Improvement District.

Agenda Item Summary

An assessment against each parcel of property in the Vineyards Public Improvement District (PID), determined by a flat value per lot, must be approved on an annual basis. The Vineyards PID Advisory Board met August 6, 2019 to review the proposed FY 2019/20 budget and service plan. The Vineyards PID budget projects total maintenance and operation expenses for FY 2019/20 to be \$6,741. The Board recommends keeping property owner assessment rates at \$50 per lot. This will result in assessments totaling \$7,950. This decision was made in order to continue to cover all operating costs as well as build up their operating reserve.

A service plan covering a period of at least five years must also be reviewed and approved. This plan defines the annual indebtedness and projected costs for improvements as well as maintenance of improvements within the Vineyards PID. Attached is the Vineyards Public Improvement District Fiscal Year 2019/20 budget, service plan, and associated ordinance and exhibit.

Public hearing to consider an ordinance to levy an assessment on property within the Tutbury Public Improvement District.

Agenda Item Summary

An assessment against each parcel of property in the Tutbury Public Improvement District (PID), determined by a flat value per lot, must be approved on an annual basis. The Tutbury PID Advisory Board met July 9, 2019 to review the proposed FY 2019/20 budget and service plan. The Tutbury PID budget projects total maintenance and operation expenses for FY 2018/19 to be \$15,928. The Board recommends keeping property owner assessment rates at \$679 per lot. This will result in assessments totaling \$16,296. This decision was made in order to continue to cover all operating costs as well as build up their operating reserve.

A service plan covering a period of at least five years must also be reviewed and approved. This plan defines the annual indebtedness and projected costs for improvements as well as maintenance of improvements within the Tutbury PID. Attached are the Tutbury Public Improvement District Fiscal Year 2019/20 budget, service plan, and associated ordinance and exhibit.

The PID budget and 5-year service plan discussed above have been reviewed and unanimously recommended for approval by the Tutbury PID Advisory Board.

Agenda Caption

Public hearing to consider an ordinance to levy an assessment on property within the Greenways Public Improvement District.

Agenda Item Summary

An assessment against each parcel of property in the Greenways Public Improvement District (PID), determined by the placement of the lot within the neighborhood, must be approved on an annual basis. The Greenways PID Advisory Board met August 13, 2019 to review the proposed FY 2019/20 budget and service plan. The Greenways PID budget projects total maintenance, operation and debt service expenses for FY 2019/20 to be \$628,630. The Board recommends maintaining property owner assessment rates at \$720 for type A lots, \$600 for type B lots, \$864 for type D lots, and \$1,800 per acre for commercial property. This will result in assessments totaling \$643,344. This decision was made in order to continue to cover all operating costs as well as build up their operating reserve.

A service plan covering a period of at least five years must also be reviewed and approved. This plan defines the annual indebtedness and projected costs for improvements as well as maintenance of improvements within the Greenways PID. Attached is the Greenways Public Improvement District Fiscal Year 2019/20 budget, service plan, and associated ordinance and exhibit.

Requested Action

The PID annual budget and 5-year service plan discussed above have been reviewed and unanimously recommended for approval by the Greenways PID Advisory Board.
