REQUIRED VERIFICATION OF VENDOR'S

ANTI-ISRAEL BOYCOTT AND ANTI-TERRORISM COMPLIANCE STATUS

Effective September 1, 2017 State Legislature amended the Texas Government Code, Chapters 2270 and 2252, relating to certain governmental contracts. These statutes prohibit a state agency or political subdivision (such as a municipality) from entering into a contract *for goods, services, or general construction*, unless the contract contains a written verification from the company that it:

- (1) does not boycott Israel;
- (2) will not boycott Israel during the term of the contract; and
- (3) does not do business with persons or companies which are known to have contracts with or provide supplies or services to Iran, Sudan, or entities listed as a foreign terrorist organization on a list maintained by the Texas State Comptroller (unless such person or company is excluded from federal sanctions relating to Iran, Sudan, or any other foreign terrorist organization).

In order to be a responsive bidder for the City of Amarillo a representative of your organization that is legally able to bind your company must sign, date, and return to the City of Amarillo, to verify that your company is in compliance with the two statutes described above.
