FACILITY and LABORATORY assumes full responsibility for the compliance, education, and training of each party's respective staff with regard to such regulations and laws.

TERM

This Agreement shall have an exclusive term of two (2) years from the Effective Date.

In the event of a dispute or disagreement by either party prior to the end of the two-year term, the complainant must contact the other party regarding the nature of the dispute or the disagreement. Notices or communications to be given under this Agreement shall be given to the chief administrator of the respective facility in writing either by personal delivery by registered or certified mail. The dispute shall be addressed and resolved within 30 days. In the event the breach has not been cured within 30 days to mutual satisfaction, then binding arbitration will be enlisted according to guidelines by the American Arbitration Association.

TERMINATION WITHOUT CAUSE

If either party wishes to terminate this Agreement, a 60-day notice to terminate must be submitted in writing either by personal delivery, by registered or certified mail, postage prepaid or by overnight delivery.

TERMINATION DUE TO BREACH

If the breach consists of one of the following events, this Agreement terminates immediately upon written notice before the end of its term on the occurrence of the breach:

- a) LABORATORY fails to maintain insurance coverage as required by this Agreement.
- b) The license to practice medicine in the State of Texas of any physician providing services for or on behalf of either party is suspended or terminated.
- (c) The membership of any physician providing service on behalf of LABORATORY or certification by such physician's specialty board is suspended or terminated.
- (d) Either party is divested, liquidated, or dissolved out of their respective business.
- (e) Either party fails, after thirty (30) days written notice, to meet their contractual obligations under this Agreement.
- (f) Either party fails to comply with applicable federal, state, and local law.
- (g) Either party fails to recognize supervening law. If any provisions of law invalidate, or otherwise are inconsistent with, the terms of this Agreement or would cause one or both of the parties to be in violation of law, these provisions of law shall be deemed to have superseded the terms of this Agreement to the extent of such inconsistency; provided, however, that the parties shall exercise their best efforts to accommodate the terms and intent of this Agreement to the greatest extent possible consistent with the requirements of law.
- (h) LABORATORY or its personnel fail to meet or maintain applicable professional standards, accreditation, certification, or licensing for a medical testing laboratory.

REFORMATION OF AGREEMENT

If the Agreement violates any provision of the law, the parties agree to reform the Agreement to comply with the law. If the Agreement cannot be reformed to comply with the law without material modifications, the Agreement terminates.

AMENDMENTS

Amendments to this Agreement have effect only if contained in a written instrument that: (i) sets out the particulars of the amendments; (ii) is executed by an authorized representative of each of the parties; and (iii) becomes incorporated into or attached as Exhibit "A" of this Agreement.

SERVERABILITY

The invalidity of any provision of this Agreement will not affect the validity of any other provision.

NOTICES

Whenever this Agreement or law requires or permits a person to give another any consent, approval, notice, request, or demand, that person must give the consent, approval, notice, request, or demand in writing (including, with limitation, fax, telex, or other telegraphic communications) to the other party at the address set forth below:

Award – Software Licensing:
CDW-G -- \$58,470.00

This item represents the purchase of software licensing to provide anti-virus and malware protection for the City's physical and virtual desktops and servers.

Agenda Item Summary

28 Deep Security licenses will provide anti-virus and malware protection for VM hosts operating the City's server infrastructure. For physical and virtual desktop computers, IT has begun to transition from Trend Micro to a Microsoft product as an acceptable alternative to reduce costs. The 850 Smart Protect licenses are still needed for the upcoming year but reflect a net reduction of 1150 licenses from 2019.

Requested Action

Approval of award to CDW-G in the amount of \$58,470.00.

CONSIDER APPROVAL – Change Order No. 2 for Bid #6718/Project #462086 – FY 19/20 Street Maintenance Community Investment Program, Proposition 1

Intermountain Slurry Seal Inc. – \$281,856.10

Agenda Item Summary

This item is to consider approval of Change Order No. 2 to the construction contract for the maintenance of streets within Amarillo. This change order will add a patching option, sell surplus aggregate, expand the number of streets maintained and adjust actual quantities installed.

Original Contract:	\$	11,135,638.50
Total of Change Orders 1 and 2:	\$	281,855.26
Revised Contract Total:	\$	11,417,493.76

Requested Action

Consider approval to Intermountain Slurry Seal Inc. - \$281,856.10

Funding Summary

Funding for this project will be available in the Project Budget Numbers 462086. Funding for this project was approved in the FY 16/17 – FY 20/21 Community Investment Program Budget. The construction expenses for this project are funded from the Proposition 1 Bonds.

Community Engagement Summary

The work performed as part of this change order project will have an impact on a small portion of the community; however, the impact of this project during construction at any one location will be modest and brief. The city and its contractor have been in constant communication with the public by way of press releases, public announcements, and an interactive web based project status page updated daily. Public notification and engagement are part of the contract requirements of the project.

Staff Recommendation

City Staff is recommending approval of the change order.

CONSIDER SALE OF CITY OWNED PROPERTY – APPROXIMATELY 1.1364 ACRES OF LAND LOCATED ADJACENT TO THE SOUTHEAST CORNER OF 34TH AND OSAGE, AMARILLO TX

This item authorizes the City Manager to execute a contract and other necessary documents for the sale of 1.1364 acres of land located adjacent to the southeast corner of 34th and Osage. The sales price for this property is \$6.06/square feet or \$300,000 minus closing costs.

Agenda Item Summary

In February of 2019, the City executed a listing agreement with Gaut Whittenburg Emerson to list for sale 4.25 acres of city-owned land located at the SE corner of 34th and Osage. The 2.5-acre corner listed at \$12 per square foot and the eastern 1.75 acres listed at \$7 per square foot.

This property and the remaining acreage was identified by city staff as surplus property likely to receive a competitive offer, if listed. By selling the tract, the city would save money by no longer maintaining the property. It would also bring in new tax revenue by placing it on the tax rolls and allowing for future potential sales tax revenue by selling a general retail zoned corner that has over 32,000 vehicles driving through per day. The revenue gained by selling the acreage may also be used to address other city funding needs and priorities.

Since listing in February 2019, the City has approved the sale of a portion of the 4.25 located on the southeast corner. A second offer has now been received for 1.1364 east of the previously sold portion. The offer is from People's Federal Credit Union for \$300,000 or \$6.06/square feet.

Agenda Caption

Public hearing to consider an ordinance rezoning a 28.03 acre tract of unplatted land in Section 183, Block 2, A.B.&M. Survey, Randall County, Texas, plus one half of all bounding streets, alleys, and public ways to change from Agricultural District to Moderate Density District. (Vicinity: Farmers Ave. and Gemini Trl.)

Agenda Item Summary

Adjacent land use and zoning

Adjacent zoning consists of Residential District 1 to the north, bounded by the current City Limits to the south and east, and Agricultural District to the west.

Adjacent land uses consist of single-family detached homes to the north, railroad right-of-way to the south and east, and undeveloped land to the west.

Analysis

The applicant is requesting a change in zoning to Moderate Density District in order to develop single-family detached homes. The proposed type of residential development reflects the Preliminary Plan for South Georgia Place that was approved in April of 2020.

It is worth noting that although the plan is to build single-family detached homes, it does allow for multi-family residential products (apartments, duplexes, and townhomes). The applicant wishes to utilize the smaller minimum lot size requirements in Moderate Density zoning in order to achieve a higher density of development (45 foot wide lots instead of the minimum of 50 feet required in R-3 zoning) and is the reason for requesting such zoning rather than Residential District 3.

Analysis of a zoning change begins with referring to the Comprehensive Plan's Future Land Use and Character Map and conformance to the Comprehensive Plan's recommended Neighborhood Unit Concept (NUC) of development. Additionally, analyzing what impact a proposed change in zoning will have on area zoning and development patterns are considered.

Although this particular area and the entire section for that matter, is designated as Suburban Residential by the Future Land Use and Character Map, all of the South Georgia Place Subdivision in the section has developed with General Residential development types.

So in terms of strict compliance with the above, it does not match the recommended type of development but is in line with long established General Residential development types (single-family detached homes) for this subdivision and section. General Residential allows for a higher density residential product, which is being proposed by the applicant.

Regarding the Neighborhood Unit Concept of Development, this concept calls for more intensive uses such as retail, office, and multi-family development to be located at or near Section Line Arterial Intersections with the intensity of use and/or zoning decreasing inward towards the center/middle of a section.

The applicant's tract is located along the current City Limits and next to BNSF Railroad Right-of-Way along the eastern edge of this section. There is industrial and commercial development located east of the railroad right-of-way which is outside of the City Limits. While not exactly located at/or near a Section Line intersection, this tract of land is essentially the edge of this section that is located in the City Limits.

As such, higher density residential development as proposed (single-family) or as allowed (multifamily) by the requested zoning would provide an appropriate land use buffer to existing or soon to be developed lower density single-family detached homes.

When looking at the section as a whole, it is the Planning and Zoning Commission's opinion that this would create an ideal development pattern when considering the Neighborhood Concept of Development, in that higher density development is a desired transitional land use from the high impact areas such as railroad right-of-way and industrial and commercial uses east outside of the City Limits.

Considering the above, the Planning and Zoning Commission believes the request is appropriate and if approved, the applicant's request will not create any negative impacts on the surrounding zoning and/or development patterns in the area.

Public hearing to consider an ordinance rezoning a 61.52 acre tract of unplatted land in Section 183, Block 2, A.B.&M. Survey, Randall County, Texas, plus one half of all bounding streets, alleys, and public ways to change from Agricultural District to Residential District 3. (Vicinity: Farmers Ave. and Gemini Trl.)

Agenda Item Summary

Adjacent land use and zoning

Adjacent zoning consists of Residential District 1 to the north, land outside the city limits to the south, Agricultural District to the east, and Residential District 3 and Agricultural District to the west.

Adjacent land uses consist of single family detached homes to the north, an industrial facility outside of the City Limits to the south, and undeveloped land to the east and west.

Analysis

The applicant is requesting a change in zoning to Residential District 3 in order to develop the tract of land with single-family detached homes. The type of residential development reflects the Preliminary Plan for South Georgia Place that was approved in April of 2020.

Analysis of a zoning change begins with referring to the Comprehensive Plan's Future Land Use and Character Map and conformance to the Comprehensive Plan's recommended Neighborhood Unit Concept (NUC) of development. Additionally, analyzing what impact a proposed change in zoning will have on area zoning and development patterns are considered.

Although this particular area and the entire section for that matter, is designated as Suburban Residential by the Future Land Use and Character Map, all of the South Georgia Place Subdivision has developed with General Residential development types. So in terms of strict compliance with the above, it does not match the recommended type of development yet it is in line with development types (single-family detached homes) that have long been established for this subdivision and section.

Regarding the Neighborhood Unit Concept of Development, this concept calls for more intensive uses such as retail, office, and multi-family development to be located at or near Section Line Arterial Intersections with the intensity of use and/or zoning decreasing inward towards the center/middle of a section where more traditional single-family homes are found.

With the proposed single-family detached zoning being located mid-section as recommended by the NUC, the Planning and Zoning Commission is of the opinion that the request is consistent with the just mentioned concept of development.

Considering the above, the Planning and Zoning Commission believes the request is appropriate and if approved, will not create any negative impacts on the surrounding zoning and/or development patterns in the area whereas it is a logical continuation of the prevailing residential product and residential zoning (Residential District 3).

RESOLUTION NO. 06-23-20-1

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF AMARILLO: AUTHORIZING THE CITY MANAGER TO SEEK AND DISTRIBUTE STATE FUNDS, PURSUANT TO ARTICLE 5190.14, SECTION 5C OF THE TEXAS REVISED CIVIL STATUTES, A QUALIFYING EVENT; PROVIDING SEVERABILITY CLAUSE; PROVIDING SAVINGS CLAUSE AND EFFECTIVE DATE.

WHEREAS, the United States Team Penning Association ("USTPA") has selected Amarillo, Texas as the site for its 2020 World Championship event; and,

WHEREAS, the City of Amarillo, as the host community of the USTPA event and other eligible events (hereafter "event" whether singular or plural), and

WHEREAS, that event may be eligible to receive some funding as an eligible event from Special Event Trust Funds (hereafter, "Trust Fund") pursuant to Tex. Rev. Civ. Stat., Art. 5190.14, Sec. 5C (hereafter, "Sec. 5C");

WHEREAS, the City of Amarillo and the State of Texas may benefit directly from this state law by utilizing state funds to augment local incentives for the purpose(s) of retaining events in our city and our state that are being courted by other cities located in other states, and by enhancing these events so that they have more prestige and draw more contestants and attendees; and

WHEREAS, Sec. 5C allows for the use of any funds received from state under this law to offset direct expenditures related to the event.

WHEREAS, the City of Amarillo, and the State of Texas may benefit indirectly from this state law by an increase in tourism resulting from the retention or the attraction of events to our city and state that will likely have the effect of:

- An increase in utilized hotel rooms, which has a positive impact on the Hotel Occupancy Tax; and
- An increase in general sales and consumption, which has a positive impact on the local and state sales tax; and
- An increase in the length of time an event is in Amarillo facilities, which increases the local facility rental revenue.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AMARILLO, TEXAS THAT:

SECTION 1. The City Manager is authorized to submit an application to the Office of the Governor's Economic Development & Tourism Division to seek state funds, pursuant to Sec. 5C for the purpose of utilizing any funds received to assist in enhancing the 2020 United States Team Penning Association World Championship Event, and other eligible events, with a goal of increasing participation and attendance and benefiting the economy of the City of Amarillo and the State of Texas. Further, the City Manager is authorized to negotiate a contract with the USTPA specifically as to any state funds received through Sec. 5C with the explicit guidance that the application and the contract be developed so as to maximize the state funds coming back to the City to support the USTPA

World Championship Event and other eligible events.

SECTION 2. That should any part of this resolution conflict with any other resolution, then such other resolution is repealed to the extent of the conflict with this resolution.

SECTION 3. That should any word, phrase, or part of this resolution be found to be invalid or unconstitutional, such finding shall not affect any other word, phrase, or part hereof and such shall be and continue in effect.

SECTION 4. That this resolution shall be effective on and after its adoption.

INTRODUCED AND PASSED by the City Council of the City of Amarillo, Texas, this 23rd day of June, 2020.

CONSIDER APPROVAL – LOCATION INCENTIVE AGREEMENT – BETWEEN AMARILLO ECONOMIC DEVELOPMENT CORPORATION AND SHARPENED IRON STUDIOS, LLC

Agenda Item Summary

SIS is looking for financial support for its initial construction costs as well as job creation support. The current anticipated cost for the buildout of the studio at the AC Downtown campus is between \$12MM-\$14MM. AC does not currently plan to contribute funds to the construction costs for SIS. Initial hires for SIS will include FTE's for the in-house production staff as well as adjunct faculty for the film school. SIS is currently developing curriculum in conjunction with AC for a two- year degree in film production.

AEDC will provide SIS \$500,000 up front for the creation of 40 FTE's with an average salary of \$55,000. These funds will be used to reimburse for construction and renovation costs. SIS will be required to retain these FTE's for a 5- year term. Additionally, in return for documenting a minimum of \$2.5MM in local spend per year, AEDC will provide SIS \$100,000 per year for five years.
